He's all Right.

Down in Brown and hock counties he democrats and populists have nominated E. B. Brain for representative from the 51st district, thereby showing their good sense and insuring a victory for the combined parties on November 3. Mr. Brain is a democrat, and the editor of this paper had the pleasure of assisting to elect him treasurer of Rock county in 1891. He served two terms in that office, making On motion the County Treasurer a record for himself as the most efficient county treasurer in the state He is now secretary of the Golden Irrigation District and is well and favorably known by every one in his district. Mr. Brain's opponent is a migratory preacher now living at Longpine, a transient in the district, named Eighmy, and as soon as the ballots are counted he can move to greener fields and never be missed.

> Father was sick and the mortgage on the farm was coming due. I saw in the Christian Advocate where Miss A. M. Fritz of Station A. St. Louis, Me. would send a sample combination dipper for 18 two cent stamps and I ordered one I saw that the dipper could be used as a fruit far filler; a plain dipper; a fine strainer; a funnel; a strainer funnel; a sick room warming pan and a pint measure. These eight different uses makes the dipper such a necessary article that I went to work with it and it sells at very near every house, and in four months I paid off the mortgage. I think I can clear as much as \$200 per month. If you need work you can do well by giving this a trial. Miss A. M. Fritz, Station A. St. Louis, Mo., will send you a sample for 18 two cent stamps. Write at once. John G. N. How the Dipper Saved the Farm.
